WAR

With the Natives at Moro.

Large Force

Of Natives Attack the American Troops.

The Situation at Mindanao Has Become Very Serious.

Chaffee Concludes the War is Not Over and Inaugurates an Active Campaign Against Filipinos.

Manila, Aug. 19.—The Moros in Mindanao are renewing their attacks upon the troops and pack trains of the American column at Lake Lanao, under the command of Captain J. B. Pershing of the Fifth Infantry. The Americans have successfully repulsed the Moro attacks and suffered no losses. The reports of the American forces in Mindanao report aggressive action against the Moros. It is necessary, and permission to move against the last and other strongholds of the Moro Mohammedans.

A large force of native troops, equipped with a large number of rifles, a sharp light near Cagayan, and a large number of Manila, the arrival of reinforcements for the campaign was then the victory. The members of the constabulary were killed and one was wounded. The natives left three of their number killed and carried off their wounded. The chase of the Cavite ladrones through the mountains of that province continued. Forces of native constabulary have had encounters with the bands of Eduardo and Montano. Several of the ladrones were killed or captured and a quantity of their supplies were destroyed.

Details of the Mutiny.
Manila, Aug. 19.—The following details of the mutiny of the native crew of the international steamer *Mis Horan*, which occurred at Port Victoria, near Cebu, have been received here. The crime was planned under the leadership of the native steward of the *Mis Horan*, and the mutineers proposed to steal the ship, which they supposed to be carrying gold. The officers of the steamer were killed when they were attacked in the kitchen by the chief engineer and wounding the captain, the second engineer and a passenger, all of whom were Spanish. The crew killed the steward and the passenger of the ship. The last night were murdered while defending the officers. The members of the mutiny, constabulary who went to the rescue of the officers of the *Mis Horan*, killed three and succeeded in capturing four of the mutineers, whom they conveyed to Albay, Luzon.

Chaffee to Act.
Washington, Aug. 19.—A cable dispatch has been received from General Chaffee stating that, in his judgment, an active campaign against the Moros in Mindanao was necessary in order to bring the situation to a close. The dispatch was considered of sufficient importance to be repeated to President Roosevelt at Oyster Bay. General Chaffee has been directed to use his own discretion in the matter, and will no doubt engage in an aggressive movement against the insurgent Moros.

Article Held Libelous.
Manila, Aug. 19.—Judge Ambler, who has conducted the trial of Freedom, the proprietor, and Edward (Gibson) editor of Freedom, who was charged with libeling Benito Legarda, a Filipino member of the civil commission, announced that he found the defendants guilty. They were not sentenced. Judge Ambler decided that the headlines of the article in question published in Freedom were libelous and that the text of the article was not privileged because it was published maliciously, and was therefore libelous.

CRANBERRIES

Will be Plentiful this Year, Say the Growers.

Grand Rapids, Mich., Aug. 19.—The sixteenth annual convention of the Wisconsin State Cranberry Growers' Association began today at the State experimental station near here. The members of the association report the outlook good for a record breaking harvest this year.

LIKE RATS IN A TRAP

Four Little Children and Two Women Perish in Tenement House Fire.

New York, 8, 19.—Six lives were lost in a fire which burned a ramshackle tenement at number 35 Essex street, this morning. After the fire was subdued the firemen searched the building from cellar to roof, finding in all, six bodies. The dead are:—Mrs. Anna Bolochin, 36; unidentified woman, burned beyond recognition; Sallie Leibwitz, 8; Louis Leibwitz, 6; Jules Leibwitz, 5; Morris Leibwitz, 3.

The fire spread so rapidly that many occupants had a hard struggle for their lives.

TROUBLE IS IMMINENT.

Duryea, the Center of the Strike Disorder, Will be the Scene of Conflict.

Wilkesbarre, Pa., Aug. 19.—Warnke Brothers are determined to make an effort to resume operations tomorrow. The strikers manifest an equal determination to prevent any such move, they also realizing that this, while only a washery under ordinary circumstances employing fifty men, is the storm center at the present time. That trouble is feared tomorrow, is shown by the active preparations which are being made to meet any move on the part of strikers calculated to prevent the starting of the works.

WENT BROKE
Operating Country Store on Co-operative Basis.

Frederick, N. D., Aug. 19.—The application for a receiver for the North Branch Farmers' Alliance Co-operative Association came up for hearing today before Judge Van Cleave. The association was organized by the farmers living near North Branch, Souderton County, to operate a country store on a co-operative basis. The affairs of the association have been in a tangled condition for some time, and the application for a receiver was recently filed by several of the members.

Conditions on the Isthmus.
Panama, Colombia, Aug. 19.—Commander W. P. Butler of the United States special steamer *Ranger*, United States Consul General and Captain Rivers of the railroad terminal, sailed in the tug *Bolivar* to make a tour of inspection along the coast. They went as far as San Carlos and returned. Mr. Guderger said that the party found no traces of revolutionists as far as they could see, and that no doubt they are all concentrated at the stage of Agua Dulce. According to the last reports the soldiers of General Herrera, the revolutionary commander, had dug trenches about 500 yards from the town, where they remained all day because the sharpshooters of General Bert, the commander of the government forces, picked off every man who dared to leave these trenches.

Cuban Cabinet Officer Resigns.
Havana, Aug. 19.—At the meeting of the council of secretaries, Emilio Terry, secretary of agriculture, presented his resignation. It was not accepted. Senior Terry will have four days in which to reconsider his step. The resignation of Senior Terry is commented upon variously in the local press. El Mundo says Senior Terry resigned because he became disgusted with the weak policy of the government and because President Palma has not followed the plan he outlined when he landed at Gibara. Senior Terry himself says he resigns for family reasons and because he desires to go to Paris.

Remembered the Missions.
New York, Aug. 19.—The will of the Rev. Hasbrouck Inghis, a minister of the Reformed church in America, who died on Aug. 5, was filed for probate in the surrogate's office, and bequeaths to the board of foreign associations of the Reformed church in America, to the board of domestic missions and to the board of education of the church, \$1,000 each.

Worried the Czar.
Vienna, Aug. 19.—A newspaper of Cracow, Galicia, publishes a report that the czar of Russia recently told on his desk a missive from a revolutionary committee threatening him with death unless he conceded constitutional government to Russia. The czar, according to the Cracow newspaper, was greatly alarmed.

The Big Salary

Paid the President of Steel Company

Does Not Prevent a Peculiar Illness for That Dignitary.

Rumored That He Will Retire From Business and Devote His Time to Caring for His Health.

New York, Aug. 19.—The retirement of Charles M. Schwab from the presidency of the United States Steel corporation is now commonly accepted as determined upon, notwithstanding recent official denials and political reluctance in official quarters to confirm the report. President Schwab's impaired health is the reason for this action. He is at present at his home in Loretto, Pa., but the exact nature of his illness is not known. The strange part of Mr. Schwab's illness is that he is always within view of those who call at his house, yet he will not allow any person to approach him. The presence of sisters belonging to the Order of Mercy in his home day and night since Thursday was another indication of illness. The nuns were not visitors, but it is generally understood that they are nursing the man who has so many times befriended them and their institutions. Mrs. Schwab said that her husband would not see any person and had not been receiving any visitors for several days. Business associates, it is said, have met with a similar reception during the past two days. Mr. Schwab has been directed by his doctors to rid his mind of all business cares, and he is obeying the orders religiously. Later it was learned that Mr. Schwab proposed to sail for Europe Wednesday or Thursday. His friends stated that he was going to take his vacation abroad and spend at least two months visiting England, France, Germany and Austria.

Schwab's Uncle Talks.
Altoona, Pa., Aug. 19.—C. M. Schwab, president of the United States Steel corporation, was at Cresco Monday night. Persons from this city who know him and who saw him say that he is apparently in good health. P. A. Schwab, an uncle of this city, who keeps in close touch with the steel magnate, declares that Mr. Schwab is not nearly so sick a man as has been reported. "We are not alarmed at his condition, although he has been recommended to keep quiet and rest."

HORSE SHOW

At Bar Harbor, Opens With Colors Flying.

Annual Assemblage of Smart Turnouts Presents a Pretty Sight.

Bar Harbor, Me., Aug. 19.—In the beautiful open of Robin Hood Park the annual exhibition of the Bar Harbor Horse Show Association was opened today before a grand stand in gala attire of flags and bunting and occupied by a fashionable assembly of smartly grown women and their escorts. On each side of the reserve stand was an array of smart traps, stylish equipages and automobiles. Success crowned the opening in every particular and the exhibition, which continues three days, promises to be of unusual note in the history of Bar Harbor. Prominent among the exhibitors are William C. Whitney, A. J. Cassatt, General Merrill and James B. Haggins.

Labor Union's Suit.
Topeka, Aug. 19.—The Central Labor union of Topeka has filed suit against the American Book company to prevent the company from carrying out its contract to supply the schools of Kansas with textbooks. The union alleges that the company used unfair means in securing the contract and that it is organized in opposition to the anti-trust law. The probate court issued an injunction against the company to hold until the district court could pass on the matter.

ERIN GO BRAUGH

Is Heard Today in the States of Pennsylvania and Michigan.

Hancock, Mich., Aug. 19.—The Michigan division of the Ancient Order of Hibernians met here today in a usual state convention. The first session was called to order at noon in Kauth hall. Two hundred and fifty delegates are in attendance. High mass was celebrated at St. Patrick's church this morning by Bishop Els, of Marquette. Tomorrow night a banquet will be held, at which several prominent speakers will respond to toasts. There will be a parade Thursday and officers for the year will be elected at Friday's session. The Ladies' Auxiliary of the Hibernians is also meeting here.

CONSUELO RETURNS.

Duchess Sets Foot on Native Soil for First Time in Seven Years.

New York, Aug. 19.—The Duchess of Marlborough, known to Americans as Consuelo Vanderbilt, before her marriage to the Duke of Marlborough, set foot on American soil today for the first time since her wedding, seven years ago. She arrived on the Kron Prinz Wilhelm and was accompanied by her mother, Mrs. O. H. P. Belmont and Mr. and Mrs. W. K. Vanderbilt, Jr., the latter being a sister of Mrs. Charles L. Fair. A message received in the lower bay that Charles Fair and his wife had come to an untimely end in an automobile accident in France, caused intense sorrow to the party.

INJURED

While Working on a Derrick at Sidney.

Barclay, or, as he is better known, "Daddy" Sullivan, was brought home from Sidney yesterday evening to recover from the effects of a painful accident. He has been working for contractor Carl Wells on the construction of the Western Ohio railway, and while assisting in the operation of a derrick, a stone fell from under the foundation, striking him on the foot and mashing off the great toe. He came to Lima on the C. H. & N. D. and was taken to his home on North Main street.

The Weather.
Washington, Aug. 19.—Ohio, partly cloudy tonight and Wednesday; moderate temperature.

ROOSEVELT PLEASED

Over the Way Iowa Stood Up For Cuban Reciprocity.

Oyster Bay, N. Y., Aug. 19.—Representatives Hull (Ia.), Babcock (Wis.) and Overstreet (Ind.) were in conference with President Roosevelt on the features of the coming campaign. "I told the president," said Mr. Babcock, "that Wisconsin would return Mr. Spooner to the senate and would heartily endorse his administration. "And the president told me," added Mr. Hull, "that he was much pleased over the way Iowa stood up for Cuban reciprocity."

SIMPLE DEVICE

That May Revolutionize the Freight Carrying Business.

Chicago, Aug. 19.—Experiments are being conducted by the Illinois Central with a device that may revolutionize the freight carrying business. The experiments are being made with a boxcar, the trucks of which are fitted with ball-bearing journals, which make the car run so easily that a single person can move it. The bearing consists of four races of three-quarter inch balls. The latter are built to take the thrust of the car when going around a curve. There are 132 three-quarter inch balls in each journal, each of which will sustain a crushing strain of 78,000 pounds. The smaller balls will sustain a weight of 38,000 pounds. It is stated that the journals have an average life of seven years, which is much longer than the journals now in use. The most important advantage claimed for them is the great ease with which they can be moved. If practicable, train loads can easily be doubled and hauled with the same power now used.

Resurrection of Poland.

Berlin, Aug. 19.—A fervid assemblage of 2,000 Poles here cheered what was called the Polish democracy. Herr Wrobel, editor of a Polish newspaper published in Berlin, during the course of a speech exclaimed: "Prussia will disappear from the map before they succeed in Germanizing the Poles and destroying their hope of the resurrection of Poland. The new Poland will be, not the prey of the aristocracy and clergy, but a free, democratic realm." The speaker added that all Germans were the hereditary foes of the Poles, including every political party, even Socialists.

INTO

Court the Case Will be Taken.

Fifty Years'

Extension to the Railway Franchise

Is Too Valuable a Proposition to be Lightly Surrendered.

The Cincinnati Railway Company Proposes to Keep Its Franchise If That Course is Possible.

Cincinnati, Aug. 19.—The Rogers law, which granted the Cincinnati Street Railway company an extension of its franchises for 50 years (expiring in 1946), was declared unconstitutional by superior court. If the supreme court sustains the superior court, franchises granted elsewhere under the same law will be gone. The court held that the Rogers law arbitrarily classifies street railways and municipalities, and that it is not uniform. The law gave a 50-year extension of franchises only for such street railways as complied with its conditions on the day it went into operation.

Judge Dempsey, who landed down the decision, stated that there would be no entry made until all the judges returned from their vacation, and that the decision was announced now so as to give an opportunity for action at the extra session of the legislature next week. The decision puts the responsibility on the general assembly. When the entry is made the defendants say they will take proper steps for a final determination in the supreme court. Meantime the street railway company will file another answer setting out defenses which have not been passed on. This means that the fight will be renewed first in the same court.

The suit was brought by ex-Solicitor Theodore Horstman for taxpayers, attacking the right of the Cincinnati board of administration to extend the franchise while the lines were being consolidated under what was commonly known as the Rogers 50-year extension law. As the charters of many of the different lines have since expired, the effect is sweeping in this city. About two years ago the Consolidated system here was leased by the Cincinnati Traction company and became a part of the Elkins-Weidner syndicate. It is stated that this lease is a covenant of warranty and that the burden of defense rests on the old Cincinnati Street Railway company, of which John Kilgour was president. Under the present arrangement the city received 5 per cent of the gross earnings and \$4 per lineal foot per car. Last year the revenue from this source was \$218,342, \$190,288 being the percentage from gross receipts. While there was gossip about interurban lines now being able to enter the city and possibly lower fares, there was no stampede on the local Stock Exchange.

TO EUROPE

Schwab will Go In Search of Health and Quiet.

Pittsburg, Aug. 19.—Charles M. Schwab, the steel magnate, will sail from New York for Europe tomorrow. His physicians say his ailment is neurasthenia, a nervous state which causes the patient to brood so over slight pain that complete mental disorder is liable to come with physical ills. Schwab's friends say he will not resign and that the steel trust will run itself while he is away.

A Tame Bout.

Chicago, Aug. 19.—Marvin Hart of Louisville was given the decision over Billy Stiff of Chicago after six rounds of awkward fighting here. Both men appeared very tired at the end of the fight. Hart's showing was a disappointment, as it was expected he would have little trouble in disposing of Stiff. Neither man was able to judge distance accurately, and as a result the majority of the blows delivered went wide of the mark. There was little damage done until the fourth round, when Hart began to land straight lefts to the face. In the last round Stiff seemed the stronger of the two, but Hart by rough work managed to hold his advantage and was awarded the verdict. Neither man was produced in great account.

IN PENNSYLVANIA

The Ancient Order of Hibernians Opens Annual Convention.

Wilkesbarre, Pa., Aug. 19.—The Pennsylvania division of the Ancient Order of Hibernians began its annual convention here today with a good attendance of delegates. This morning the delegates attended the celebration of high mass, following which there was a parade to the hall where the business sessions were commenced. The convention will be in session several days.

ENGAGEMENT

Was Broken and the Result was Suicide.

Newport, Aug. 19.—It is now stated that the suicide of Robert Remington, newspaper advertising man, who was engaged to Miss Mary Van Allen, was the result of mental trouble. Remington had been acting so strange for some time that the Van Allen family deemed marriage impossible. Remington waited for Miss Van Allen to drive by his club yesterday, took a last look at her, and shot himself.

Mysterious Double Tragedy.

Muscatine, Ia., Aug. 19.—Jesse Tuman, the man found Saturday night nearly dead in a lonely woods, with his murdered wife a short distance away, is dead. He did not reveal anything concerning the tragedy, nor did the inquest on Mrs. Tuman bring to light any facts that might solve the mystery surrounding the tragedy.

STRUCK A GOOD WELL.

Shawnee Oil Company Drills in a 125 Barreler..Other Ohio Oil News.

The Shawnee Oil company has just completed a splendid producer in section 18, of Marion township, Allen county, their No. 1 well on the E. Tuesday farm. It started producing at the rate of 125 barrels in 24 hours. In Perry township, the Newark & Lima Oil company has drilled in Nos. 7 and 8, T. B. Marshall, section 2, the former making 5 and the latter 45 barrels the first day. Wedd & Johnson's No. 7 on the A. Etzkorn farm, section 13, Seneca township, was a 14 barrel producer.

In Meigs county, the Holt Oil company, section 1, on the E. B. Holt farm, section 1, in Meigs township, was good for only 4 barrels. One of similar capacity was secured by the Sun Oil company at No. 7, R. P. Marshall, section 1, of Perry Creek township.

A quartet of small wells have been completed in Van Wert county, the Eastern Consolidated Oil company getting a 3 barrel producer at No. 2, Wm. Foster, section 1, Ridge, as did the Ohio Oil company at No. 2, Robert (Shawnee) same section. R. G. Gillespie's No. 2, M. A. Leathers, section 24, Ridge was light, making only 30 barrels the first 24 hours. D. A. Herwig completed No. 7, on the Rich and W. Jones farm, section 7, Jennings, and got a 10 barrel producer.

In Sandusky county, the Ohio Oil company's No. 7, F. Kilgus, section 30, Wood county township, was a 15 barrel well.

The Ohio has a salt water bumper in No. 7, P. Smith, located in section 20, of Liberty township, Wood county.

Lucas County Results.
C. A. & H. V. Leeper have completed a first class well for Lucas county in C. R. No. 4, F. A. Kingsfield, section 9, Jerusalem township, its output the first 24 hours after shot having been 125 barrels.

Sturtevant & Stitt have drilled in their third well on the C. Wood farm, section 22, Waterville township, and have a light producer, its first day's output showing a production of only 20 barrels. Across the canal the Miami Stone company's No. 7, Lee was smaller still, its initial output being recorded at 5 barrels in 24 hours.

The Sandusky Oil company's No. 2, on the Liberty Haslam property, section 21, Waterville township, was a 10 barrel producer.

Waltz & McKenney have abandoned their test well on the C. Fisher farm, section 17, Waverly and the Lucas Oil company has done like with No. 2, John Pender, section 17, Waverly.

The Sandusky Oil company's No. 2, F. A. M. section 5, Monticello township, was dry and has been abandoned, same story applying to the No. 3, drilled by W. H. Gilbert on the Anna Van Houten farm, section 17, Monticello.

New Wells in Hancock.
McChur & McGee have a fair producer in their No. 5, J. Weaver, section 21, Cass township, Hancock county, its first day's output showing a production of 60 barrels.

In Marion township, the City Gas company's No. 1, on the V. Coons lot, section 7, resulted in a very small gusher.

The Wolfe Oil company has completed two wells on the J. B. Waegner farm, section 21, Union, their No. 13 making 20 barrels the first day, while No. 17 was good for 35 barrels. In section 25, the Ohio Oil company's No. 1, Henry Williams was light, making only 5 barrels in 24 hours.

Operations in Wood County.

Wood county is again to the front with a number of wells that would be a credit to a more pretentious field. Some of the late producers being especially large for the old county. In Hunt township, the Ohio Oil company knocked a bumper to smithereens at No. 15, F. Hughes, section 22.

RESOLUTIONS

Passed by County Teachers' Association

We, the committee on resolutions of the Allen County Teachers' Association, at annual session assembled, beg leave to submit the following report:

Resolved: First, That a vote of thanks be extended to the Honorable Board of Education of the City of Lima, for the use of their high school room; to Prof. J. A. Culler, superintendent of schools, Bowling Green, O.; to Prof. Ed. M. Mills of the Ohio University, Athens, and to Miss Margaret W. Sutherland, of the Normal school of Columbus, O., for their excellent and practical instructions, their able and entertaining lectures; to Dr. J. J. Burns, Des Moines, O., secretary of the O. T. R. C., for his helpful and inspiring suggestions regarding the work of the circle; to Prof. Jones, Miss Millie Sontag, Mr. Otis McBride, and to Miss Grace Angel, Lima, O., for their valuable assistance in entertaining the association in music; and to all others, who have, in any way, aided in making this institute a success.

Resolved: Secondly, That, recognizing the value and realizing the importance of a complete unabridged edition of the English language in the school room and in the home of every teacher, in order that the most efficient work may be done, and since half the Allen county schools and many teachers have already been supplied with the 1902 edition of Webster's International Dictionary, that we hereby express our appreciation of this which must promote the progress of our schools.

Resolved: Thirdly, That it is the judgment of this association that every applicant for a teachers' certificate should be asked the following and given credit in Theory and Practice in accordance with his answers: "Did you attend the last Teachers' Institute?" "Were you a member of the O. T. R. C. last year?" "What books did you read last year?" "Are you a member this year?"

Resolved: Fourthly, That this association request the Honorable Board of County School Examiners to select their questions on the "Theory and Practice of Teaching," from Schaeffer's "Thinking and Learning to Think," and White's "Art of Teaching."

Resolved: Fifthly, That the executive committee of this association be requested to employ the present corps of instructors for the next annual institute.

Resolved: Sixthly, That when we adjourn, we adjourn to meet the second Monday in August, 1903.

Resolved: Seventhly, That, as Mr. C. L. Fess is a thorough scholar, and has always taken an active interest in the advancement of the cause of education and improvement of our school system, and has been instrumental by his liberal, searching tests, in broadening the scholarship of our teachers, thus creating a higher educational sentiment and increasing the efficiency of our public schools, he be recommended to the Honorable A. D. Miller, probate judge of Allen county, O., for reappointment as school examiner.

Resolved: Eighthly, That a copy of these resolutions be given to each of the papers of Lima for publication.

All of which is respectfully submitted.

A DANDY TRAITOR.

The New York Dramatist's Post to Kill the King.

Profoundly as we well meaning poet was taken by surprise than was a French dramatist of the seventeenth century, who was one day arrested for high treason as he was peacefully eating his dinner at a village inn.

The landlord of the inn where he was in the habit of dining discovered on a table a piece of paper on which were written some unintelligible phrases and below in a plain, bold hand, "Here I will kill the king."

The landlord consulted with the chief of police. Clearly this clue to a conspiracy ought to be followed up. The person who had left the paper had already been remarked for his silent air and gleaming eye. That man was Pechantre.

The chief of police instructed the landlord to send for him the next time the conspirator came to dinner.

When Pechantre was shown the evidence of his guilt, he forgot the awful charge against him and exclaimed: "Well, I am glad to see that paper. I have looked everywhere for it. It is part of a tragedy I am writing. It is the climax of my best scene, where Nero is to be killed. It comes in here. Let me read it to you." And he took a thick manuscript from his pocket.

Are you putting in their winter stock of coal? If so, better and better in every way. Don't ask for this with orders, and have time to take extra care and pains. We have the most complete stock of coal in the city, and our prices are the lowest. We give you a good clean coal every bit of it. Coal is made in summer. Previous experience says—look out for winter. A word to the wise is sufficient.

ROTTENNESS EXPOSED.

If any taxpayer in Lima wants to see how nearly public contracts are executed according to the letter of the contract, he may do so by going along the trenches dug through the street paving by the people laying the pipe for the steam heating plant. When the brick and asphalt is taken away and a cut is made through the concrete which underlies it, the thickness

of this substructure is exposed to public view, and the taxpayers who have been charged an enormous price for the improvement, are brought face to face with the proposition that they did not get what they bought.

They were compelled to pay over their money for a six inch body of good concrete, which is the important part of a paving job, but now when the work is cut into the fact is developed that the contractor put down a bed of concrete from two to three inches thick, and not six inches in thickness. This was carefully covered up with the brick or asphalt, and, as it is not usual for street paving to be ruthlessly torn up and destroyed, the contractors rested easy in the belief that they would not be found out in their scheme to get big pay for little service. The matter of discovery probably does not cut much of a figure with the contractors, since they were hastily paid their money and have long since escaped into other fields.

It is an admitted proposition that the essential part of a paving job is the substructure. If the foundation is right, and the concrete bed is what it should be the surface may be replaced when it wears out or disintegrates. But if the foundation is improperly constructed, the surface may be never so good and the paving will last but a short time.

The people of Lima knew that the surface of the paved streets was far from what it should have been but they hoped the foundation was right. Now, however, when the concrete is cut through, and they see just how little they get for their money, even that fond illusion is dispelled and they are beginning to realize that they are paying for a job which will be positively worthless by the time the last of the assessments is paid.

The way the people's rights have been overlooked and trampled down in the matter of street paving and other public improvements in the city, is shameful. The needs and wishes of the contractors have been first considered, and the people have been merely used as a means to permit the contractors to make plenty of money off their fat contracts with the city.

STRIKER KILLED.

Deputy Uses a Gun With Fatal Effect. Excitement Follows.

Nesquehoning, Pa., Aug. 19.—Patrick Sharp, a striker of Lansford, was shot and instantly killed by a deputy. The shooting caused considerable excitement for a time, but order was soon restored without any other persons being injured. A deputy named Harry McElroy was arrested charged with the killing of Sharp, and was taken to the county jail at Mauch Chunk. Five deputies were on their way to Shaft No. 1 of the Lehigh Coal and Navigation company, just outside of the town. In the center of the town they were met by a number of strikers, who began persuading them not to go to the colliery. The officers did not stop but kept on their way and tried to prevent any trouble. The strikers, it is said, then began to abuse the men, and followed them nearly up to the colliery. Just before the deputies entered the place a shot was heard and Sharp dropped to the ground. The bullet entered his body close to his heart and he died almost instantly. Witnesses say that the shooting was done by McElroy and that he stood only six or seven feet from Sharp when he fired his revolver. Only one shot was fired.

Guards Discharged.

Wilkesbarre, Pa., Aug. 19.—The hearing in the habeas corpus proceedings in the case of the guards and workmen employed at the Warnke washery at Duryea, who were arrested last Thursday by the authorities of the town, charged with inciting a riot and felonious wounding, came up before Judge Halsey. A large number of witnesses were examined and the testimony was conflicting. The attorneys for the defense said it was a travesty on justice to arrest the officers and jail them for doing their duty. After hearing the evidence Judge Halsey discharged all the defendants except three—Kinney, Reynolds and Madden. They were held in \$2,000 bail each for trial at court. Frederick Warnke, owner of the washery where the riot occurred, says the acquittal of the deputies will justify him in starting up the washery again.

SIX FATALLY BURNED.

Head of a Family Starts a Fire With Kerosene.

Gering, Neb., Aug. 19.—Two persons dead, three more at the point of death, a sixth fearfully burned and a residence in Gering in ashes is the result of lighting a fire with kerosene. C. N. McCormack, whose wife had been ill for several days, was attempting to start a fire in a wood stove when the oil exploded, setting fire to his clothing and throwing burning fluid all over the room. He was fearfully burned and ran screaming out

of the house. Before help could arrive the fire had also burned his helpless wife, a baby only a few days old, their 2-year-old son and the two little daughters of Luther A. Cook, a neighbor, who were playing with the McCormack boy. County Treasurer Ed J. Whipple, attracted by McCormack's cries, was the first to arrive, and although the house was a mass of flames he rushed in and carried out the burning woman and three of the children. The fourth child had in some way escaped. All of them were frightfully burned. McCormack lingered in agony for several hours, when he died. The baby is also dead.

Daring Robberies.

Columbus, Aug. 19.—Mrs. Frederick W. Prentiss, wife of President Prentiss of the Haydon-Clinton National bank, was held up at the point of a revolver and robbed of jewels valued at nearly \$3,000 at her East Broad street home. Mrs. Prentiss was alone in her bedroom at the time, and knew nothing of the presence of the robber until, attracted by the click of a revolver, she looked up and saw the muzzle of the weapon pointed at her head. She was forced to give the robber two diamond rings from her finger, after which the thief ransacked the upper floors of the house and made good his escape. A thief also entered the residence of Mrs. Edwin Kelton, 586 East Town street, and appropriated several hundred dollars' worth of feminine jewelry.

Rev. Morgan Wood For Congress. Cleveland, Aug. 19.—Rev. Morgan Wood, D. D., pastor of Plymouth Congregational church and one of the most widely known ministers of his church in the United States, announced that he would be a candidate for congress on the Democratic ticket from the Twenty-first Ohio district. The Republican nominee is Hon. Theodore E. Burton, the present incumbent. Dr. Wood has preached in Detroit, New Orleans and Toronto. He has been pastor of Plymouth church in this city for several years, and ranks high as a vigorous speaker.

Fertilizer Plant Burned Out.

Washington, C. H., O., Aug. 19.—A fire broke out in the M. Hamm fertilizer works, and soon the entire structure was in flames. There were about two carloads of fat on hand. The total loss will aggregate several thousand dollars. The fire is thought to have been the work of an incendiary.

F. J. Banta will Entertain His Employees.

Engages an Entire Coach to Transport Them to the Big Picnic Thursday.

F. J. Banta, the candy manufacturer believes in doing things royally, and he followed this inclination when he bought sixty tickets for the merchants and salesmen's picnic at Cedar Point next Thursday.

This gives him an entire car and in it the genial candy maker will take all his employees from Lima to Cedar Point and return. He will pay the incidental expense of the entire party. The car will be accompanied by three colored musicians who will entertain the occupants of it during the trip to and from the picnic.

The Banta factory has been running until ten o'clock at night to keep up with their orders and Mr. Banta gives his people this outing as a recognition of his appreciation of their efforts.

TWO MEN SHOT.

Cowardly Assassins Inflict Wounds from Ambush.

Scranton, Pa., Aug. 19.—Two men were shot from ambush at Edgerton colliery, near Mayfield about 11 o'clock last night. Michael Connolly, a foreman at the Edgerton colliery, and Forest Crossman, are victims of the night assassins. Two shots took effect in the body of the foreman, and one lodged in Crossman's knee. One of the shots took effect in Connolly's right eye. He will lose the use of it. At the hospital this morning, Crossman's right leg was amputated. The shooting has aroused the indignation of the community and is condemned by citizens and strikers alike. The men were shot down while standing full in the light of a great engine lamp and offered an excellent target for the assassins who lurked in the darkness.

Jack Shannon

Sums up Reputation of a Criminal Pair

Who are Badly Wanted by Officers in Two or Three Counties.

Both are Set Down as of the Tracy Order and Would Have to be Taken With That View in Mind.

It transpires that the Thompson Brothers who are very much wanted individuals by the officers of two or three counties are not unknown in the criminal annals of Northwestern Ohio. Jack Shannon of Defiance, O., who was deputy United States marshal with headquarters in Toledo few years ago, and who is now in Lima, had an interview published in Sunday's Toledo Times in which he says that he had an experience with Alack Thompson, one of the brothers, at his home in Cecil four years ago.

At that time Thompson was one of a number of a gang of counterfeiters who were operating in Paulding and Defiance counties. They had some sort of a secret organization and compelled all members to take an oath which was most binding, the penalty for "peaching" or showing the white feathers being death. Shannon, accompanied by Constable Elsch, of Defiance, went over to Thompson's house at Cecil, Paulding county, to effect his arrest. They surprised him and Thompson was covered by revolvers before he had time to make resistance. He however, flourished a revolver, and when he saw arrest was inevitable he handed the gun to his wife with the remark, "Keep this until I come back. You may need it." He came to Toledo without resistance and was tried

and convicted in the Defiance court and was sentenced to prison for the century. He was one of the county jail was a wholesale delivery was made the name of Charles Stager was used to have as he had only a sentence to serve. He has a wife who has served time in the penitentiary and who is now out on parole. This brother has a wife in Sandusky. It is thought Thompson is now in his flight by the police. Thompson brothers are described as characters who would not hesitate to fire to kill if they are brought to trial. He is of the opinion that they will soon visit Cecil, the former home of Alack and that they will be back there.

The Thompsons were at the head of an ingenious and daring band of counterfeiters and they gave the officers no end of trouble. Their modus operandi was to visit small towns and pass the money on to keepers and restaurant men, then small quantities and getting the small money changed. Soon after the arrest of Thompson the organization was broken up for it lacked a leader who could direct their movements. With his arrest came to light the oath they were required to take and was one of the most unique and binding of obligations. After Jack Thompson remained taciturn during his trial and confinement and did not implicate any others of the band. Shannon reads him as one of the most dangerous counterfeiters that ever operated in this section.

Justice Shiras to Retire.

Pittsburg, Aug. 19.—"It is true that my father expects to retire from the bench of the supreme court early in the coming year," said George Shiras. This is the first statement of confirmation of the report that Justice Shiras contemplated leaving the bench. Speaking of his retirement Attorney George Shiras said: "There is no particular reason behind the retirement except that my father believes that there is wisdom in the law passed by congress enabling judges to retire when they have reached the age of 70 years."

Heavy Foreign Order.

Camden, N. J., Aug. 19.—The New York Shipbuilding company has purchased 30,000 tons of manufactured iron and steel from the Lancashire Iron company of Scotland. This is one of the largest orders for iron or steel given in this country to a foreign company. The order was placed on account of the scarcity of iron and steel in the United States.

DEATH

Of McCown Due to an Accident, Is the Verdict

Returned by Coroner Bice Today.

Edna Hartzog Released and Restored to Her Mother's Arms.

Remains of McCown Laid to Rest in Woodlawn Cemetery This Afternoon—Coroner's Inquest Held.

The death of William McCown, the unfortunate colored man, who was fatally stabbed by fifteen-year-old Edna Hartzog while they were engaged in a friendly game in the rear of the Mint restaurant kitchen Sunday morning, is an unfortunate and deplorable event that has now, in all probability, passed into history so far as any and all legal investigation and action is concerned. Coroner Bice held his inquest of the death this morning and, after examining a number of witnesses who were present at the time of and immediately after the fatal wound was inflicted, he returned a verdict declaring that the unfortunate colored man had met an accidental death. The testimony of Edna Hartzog and her mother was taken together with that of other witnesses and the girl told substantially the same story as that which was published by the Times-Democrat yesterday. After hearing all of the evidence in the case, coroner Bice dismissed the girl from custody and turned her to the arms of her mother. The scene was quite pathetic when coroner Bice formally released the girl from the hands of the law, both mother and child weeping. The funeral of the colored man whose tragic death has caused such a flurry of excitement and has saddened more than one home was held from the colored Baptist church on west Spring street at 2 o'clock this afternoon. The services were conducted by the Rev. Carr, pastor of the church, and the remains were consigned to a final resting place in Woodlawn cemetery.

The unfortunate affair was closed, so far as the duties of the officers of the law are concerned, and although Miss Hartzog will regret the sad accident as long as she lives she will have nothing to answer to the law for, for every particle of the evidence in the case bears out the statement made by the Times-Democrat yesterday, that the killing of William McCown was due to an accident.

NINETY

Years of Age Was Mrs. Catherine Davidson.

Mrs. Catherine Davidson, widow of Joshua Davidson, died at the home of her daughter, Mrs. Catherine Cremona, eight miles west of this city in Marion township, at 7 o'clock this morning, death resulting from general debility. The deceased was 90 years of age and had been a resident of Allen county for 55 years. She is survived by four daughters and five sons. Funeral services will be held at the M. E. church in Allentown, on Tuesday morning at 12:30 o'clock Thursday afternoon.

SPECIAL

Commission Coming to This City

To Investigate Needs of the Postal Service.

Will Report Their Findings Together With Improvement Estimates to the Treasury Department.

A dispatch from Washington, of recent date, says:

"A commission consisting of George O. Van Netra, of the treasury department, F. E. Du Paul, of the post office department and R. V. LaDow, of the department of justice, will visit Lima and Columbus, Ohio, in a few days to examine in detail the condition of the federal buildings at these places, whether of insufficient capacity to transact business, and if so, the most economical and best method of affording relief. This commission is to thoroughly investigate the needs of the citizens of Columbus and Lima, particularly as to the postal necessities, and report their findings to the secretary of the treasury, who will embody their findings in his report to Congress in December with such recommendation as he may make. The report should embody the cost of the present buildings and sites, the cost of purchasing additional ground and size thereof, or the cost of new site and building in case this is the only remedy."

C. W. LAWSON,

Formerly of This City, Dies at Zanesville, O.

Information has been received by officers of the Modern Woodmen lodge in this city announcing the death of Charles W. Lawson, a member of Lima camp, who died at Zanesville, Ohio, last Friday, and whose remains were interred at the home of his wife's parents, Montpelier, Ind., yesterday. Appendicitis, for which a surgical operation was performed, was the cause of death.

Mr. Lawson was formerly located in this city and for some time was in the employ of the Jarocki Manufacturing Company.

VENERABLE

J. F. Hutchins Died at Midnight.

Well Known Traveling Man Passes to Rest

After an Illness of Long Duration—Is Survived by His Wife, One Son and One Daughter—Was 64 Years Old.

John F. Hutchins, of 111 north Metcalf street, died last night at midnight. The deceased was a well known traveling salesman until about three years ago, when he was compelled to give up his vacation on account of declining health. About five months ago his ailment, which consisted of asthma and dropsy, became worse. He was then compelled to take his bed where he has been confined ever since, until death relieved his sufferings. Mr. Hutchins has been a resident of Lima for a long time, having removed to this city from Cincinnati. He was a good citizen and highly respected by all who knew him. To mourn his death are his devoted wife, one son, Harry V. Hutchins, the well known letter carrier, and one daughter, Mrs. Frank Freese, of Fargo, North Dakota.

The funeral services will be held at St. Rose church Thursday morning, and interment will be made in Gethsemani.

TOMORROW

Popular Couple Will be Wedded at St. Rose Church

The marriage of Thos. A. Welch and Miss Margaret F. Ducey will occur tomorrow morning at 8 o'clock, in St. Rose church. Both are well known and popular young people and many of their friends will go to the church tomorrow morning to witness the happy event.

FIRST

Case Under the New Statute.

A Suit Begun

By the Western Ohio Railway Company

To Condemn Property in Allen County for an Electric Right-of-Way.

Petition Filed in Probate Court Against Defendants Who Live in Bath Township—Other Court Matters.

The recent legislature passed a law putting electric lines on an equality with steam railroads when it comes to a matter of securing rights of way, and the first case since the new statute went into effect was filed in probate court this afternoon.

Attorney J. H. Goeke, of Wapakoneta, representing the Western Ohio railway company seeks to secure a right of way through a piece of property in Bath township, to enable the building of the electric line from Lima to Findlay. The petition states that an agreement as to price is out of the question and that condemnation proceedings are necessary. The defendants named are John Schick, Mary Schick, Lily Lyons, George Lyons, Catherine Keiser, Chas. Keiser, Elizabeth and Charles Hoar. The last two defendants are the only ones willing to accept the terms offered by the railway company.

Deserted His Wife.

Amelia McDonald was married to Albert MacDonald, November 8, 1896, at Lima, but the relations of husband and wife were soon dissolved by the disappearance of the former. She says in a petition filed today by attorney H. P. Williamson that his absence is willful and has covered the period fixed by law in the granting of a divorce. She now wants a legal separation.

Court on Saturday.

Judge Armstrong will be here Saturday to hold a session of court instead of Judge Mathers as had been arranged for. There are several matters to be presented, among them being the question arising in the injunction against the construction of the Benz block on north Main street, according to the present plans. Saturday will probably close common pleas court proceedings for the term.

The bars were let down for the liberation of Walter Randall from the county jail this morning, friends having furnished bond in the sum of \$100 for his appearance in case of indictment by the grand jury.

Randall was arrested on complaint of Charles A. Hoyer, who made affidavit that the accused procured \$25 from him under false pretenses. The defendant was employed by the Detroit Southern railroad and sold his time to Hoyer, but the railroad furnished proof that Randall had drawn all that was coming to him.

Heavy Loss at Craps.

For the second time within a week the courts have been appealed to in order to recover money lost by minors who were permitted to take part in a game of craps. Yesterday the firm of Graham & Adgate brought suit against S. O. Wilson and Charlie King on behalf of Will McDonald to recover \$435 alleged to have been lost at craps between February and August. In addition to the losses of the plaintiff exemplary damages in the sum of \$500 is asked for.

Court Briefs.

Marriage License Clerk M. P. Hoagland is confined to his home on account of a severe cold.

Real Estate Transfers.

LIMA MAN

Among the Convicts who Used Dynamite

To Aid in Their Escape from Tennessee Prison.

John Doe, Alias H. B. Ballard, Alias Henry Boyd, Convicted of Burglary, Said to be a Lima Printer.

The local police department has received a communication from the warden of the Tennessee state penitentiary at Nashville, Tenn., giving pictures and descriptions of and offering rewards for the capture of one of all of eleven convicts who escaped from the Nashville prison on August 1, after wrecking a portion of one of the walls with dynamite. Among these descriptions appears one of "John Doe, alias H. B. Ballard, alias Henry Boyd, residence Lima, Ohio, criminal occupation burglary, legitimate occupation printer, age 34, height 5 feet 9 and 3/4 inches, light complexion, blue eyes, light hair, scar on right shoulder, scar on top of head, H. B. clasped hands and scar tattooed on left forearm."

The local police are of the opinion that Ballard is the fugitive's real name and that he lived in this city a number of years ago.

INFANT

Daughter of Mr. and Mrs. W. C. Hilliard Dies.

Elsie, the eight months old daughter of Mr. and Mrs. William C. Hilliard of Hazel avenue died yesterday afternoon from cholera infantum after one week's illness. Funeral was held this afternoon and the remains were interred in the Allentown cemetery.

PRETTY

Morning Wedding at St. Rose Church.

Miss Mary Burns Weds an Upper Sandusky Man.

An Elaborate Wedding Breakfast Was Served at the Home of the Bride's Uncle, Mr. Thomas Keville.

A pretty morning wedding occurred at St. Rose church this morning at 7 o'clock, when Frank Strosser of Upper Sandusky led to the altar the beautiful Miss Mary Burns of this city. The nuptial mass was celebrated by Rev. J. A. O'Connor, and the marriage ceremony was performed by Rev. A. E. Manning. The bride was clad in a brown traveling suit.

After the church services, the bridal party repaired to the home of the bride's uncle, Thos. P. Keville, of east Wayne street, where a wedding breakfast was served to twenty-five of the immediate relatives, and a few intimate friends of the contracting parties. The happy couple left at 11:57 o'clock for a wedding trip to Detroit and the lakes. Upon their return, they will begin housekeeping in Upper Sandusky. Relatives present from abroad were, the groom's father, John Strosser, and his three brothers, Anthony, John and Will Strosser, and their wives; Mrs. Tyler and Miss Burke, all of Upper Sandusky, and Chas. Engeman, of St. Marys.
